

SERIES A, B, F & G HAND APPLIED BAG CLOSURES

[Print Friendly](#)

Kwik Lok's basic hand applied bag closures.

Series A is a medium duty closure for packages up to 3 Lbs content weight. The closure is available in seven plastic colors.

Series B is identical to Series A except the closure is pre-printed at a Kwik Lok Factory with your text copy.

Series F is a heavy duty closure for packages up to 5 Lbs content weight. The closure is available in three plastic colors.

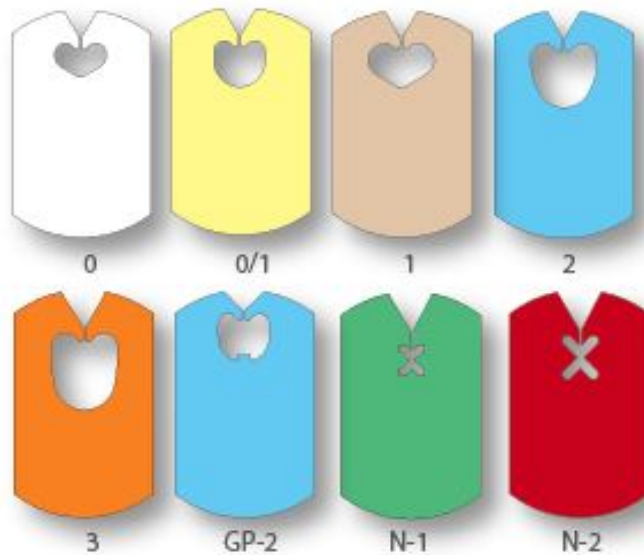

Series G is identical to Series F except the closure is pre-printed at a Kwik Lok Factory with your text copy.

Lok Opening sizes and plastic colors available with these closures. Note plastic colors shown on the web site do not necessarily match actual plastic colors.

SERIES AM DUAL LOK OPENINGS

SERIES A & F HANGER HOLE

Series AM has lok openings at each end of the closure. This feature allows use over a wider range of package sizes using the same closure. Three lok opening combinations are available. The closures are available in seven plastic colors.

Series A and Series F can be ordered with a hanger hole at one end to facilitate hanging packages on retail display rods. The closures are available with any of the above lok openings.

PRINTING INFORMATION

Series B and Series G are pre-printed on one-side in a Kwik Lok Factory with your text copy. Copy can be printed in either black or red ink (2-Color printing is not available).

You may print closures with different copy, ink colors must remain the same in order to group together for price breaks.

Closures with different lok opening sizes can be grouped for price breaks or plastic colors, as long as ink color remains the same.

Tooling changes, plastic color changes and plate changes will be subject to additional charges per order.

Closures are printed using rubber plates and a quick drying ink. It
