PRINTING INFORMATION

Series WP, Series WP72 and Series YP is pre-printed in a Kwik Lok Factory with your text copy. Copy can be printed in either black, blue or red ink (2-Color printing is not available).

You may print closures with different copy, ink colors must remain the same in order to group together for price breaks.

Closures with different lok opening sizes can be grouped for price breaks or plastic colors, as long as ink color remains the same.

Tooling changes, plastic color changes and plate changes will be subject to additional charges per order.

Closures are printed using rubber plates and a quick drying ink. It is recommended that printed matter be limited to text copy using a medium to light weight type face.

PACKAGING INFORMATION

Series W and WP closures are packaged loose in plastic bags with 2,000 per bag; 5 bags per carton (10M).

Series W72 and Series WP72 closures are packaged loose in plastic bags with 1,250 per bag; 6 bags per carton (7.5M).

Series Y and Series YP closures are packaged loose in cartons containing 4,000 closures.
