

893C

# IT'S MORE EFFICIENT, ANY WAY YOU SLICE IT.

The Kwik Lok 893C Automatic Bag Closing Machine offers computer controlled, high-speed bag closing that runs up to 120 bags per minute. View production data, machine life data and diagnostic information on the easy-to-use touch screen or on a smart phone, tablet, or computer. Operators can avoid downtime by setting up and receiving regular service reminders.
