

QUALITY & FOOD SAFETY POLICY

Kwik Lok Corporation is dedicated to providing high quality, food-safe products to consumers, through our customers, worldwide.

Senior Management is committed to:

- ◇ Continuous improvement through the use of globally recognized food safety and quality management systems;
- ◇ Actively promote the commitment and participation of all employees to food safety and quality;
- ◇ Develop understanding through effective communication throughout all levels of the organization;
- ◇ Conduct annual reviews of the food safety and quality management systems.
- ◇ Conform with both statutory and regulatory requirements and with mutually agreed food safety requirements of customers.
