

ONE BAD APPLE MAY SPOIL THE BUNCH, BUT NOT THE SHIPMENT

Scan. Trace. Trust.

Food safety is everything, which is why Kwik Lok labels are designed with extensive tracking capabilities. Dig deeper and you'll find that Kwik Lok labels also have the capacity to help you comply with the Food Safety Modernization Act (FSMA) kicking off in January 2026. Then add the fact you'll also have the means to comply with GS1 Sunrise 2027 2D barcode requirements. Seems you have every reason in the world to trust Kwik Lok.

Keep leading the way with us, contact your nearest Kwik Lok sales rep.
